Profile

I have played the Ladies European Tour and the Australian tour for thirteen years, earning my playing rights season after season. In that time I have won five professional events, been part of the winning team at the Aramco Team Series and played the Women's British Open six times.

From 2022 to 2025 a COVID vaccine injury and long COVID stopped me playing full time. It took a long time to clear my system, but I am fit again and back competing properly, with a top ten at the 2025 Irish Challenge and, in 2026, a win at the Royal Sydney Pro-Am and second place at the Swiss Open.

I am ready to win on the Ladies European Tour and to push hard for a card on the LPGA Tour. Sponsorship would be a huge help towards that: it would support my career and let me play more events around the world each year.

Thank you for taking the time to read my CV.
